REPLY TO NOTICE OF INCOMPLETE REPLY (NONPROVISIONAL)

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

In reply to the Notice of Incomplete Reply (Nonprovisional) (hereinafter the "Notice") mailed on October 18, 2001, a copy of which is attached hereto, Applicants respectfully submit that the October 18, 2001 Notice was issued in error.

A complete Reply To Notice To File Missing Parts of Nonprovisional Application (hereinafter the "Reply") was timely filed on September 17, 2001, together with a one-month Petition for Extension of Time to and including September 19, 2001.

Applicants' September 17, 2001 Reply constituted a complete response to the June 19, 2001 Notice To File Missing Parts of Nonprovisional Application because a Sequence Listing had already been filed (see below). On September 17, 2001, Applicants filed an original, executed, Declaration For Non-Provisional Application for Patent, in four counterparts, executed by Christopher P. Marshall, Alexander Hoffmann, Joseph P. Errico and Paul B. Marshall on July 12, 2001, June 8, 2001, September 14, 2001 and July 5, 2001, respectively. A copy of the date-stamped postcard receipt for Applicants' September 17, 2001 Reply is enclosed as evidence of this timely submission.

A Sequence Listing, including a computer-readable copy, paper copy, and statement of identity of same, had been previously submitted to the Office on August 14, 2001. The October 18, 2001 Notice stated that the Sequence Listing was received "on 8/15/2001" by the Office. A copy of the date-stamped postcard receipt for Applicants' August 14, 2001 filing is also enclosed as evidence of this timely submission.

Accordingly, all of the requirements of the June 19, 2001 Notice To File Missing Parts of Nonprovisional Application have been timely met (*i.e.*, a Sequence Listing filed on August 14, 2001 and an executed Declaration filed on September 17, 2001), and the October 18, 2001 Notice appears to have been issued in error.

It is believed that Applicants' September 17, 2001 Reply crossed in the mail with the October 18, 2001 Notice issued by the Office. Accordingly, correction of the Office records to reflect that a timely, complete reply was made as of September 17, 2001 is respectfully requested.

In a December 3, 2001 teleconference with the undersigned, Ms. Robertson of the Office of Initial Patent Examination (OIPE) confirmed the foregoing facts and indicated that the Office's computer records do, in fact, reflect receipt of the August 14, 2001 Sequence Listing and the September 17, 2001 executed Declaration. Ms. Robertson further indicated that the OIPE would issue another letter withdrawing the October 18, 2001 Notice.

No fee is believed to be due in connection with this reply, since the Notice was erroneously issued by the Patent Office. However, should the Office determine otherwise, please charge any required fee including any extension fees, to Pennie & Edmonds LLP Deposit Account No. 16-1150. A duplicate of this sheet is enclosed for accounting purposes.

Respectfully submitted,

Date: December 19, 2001
